Welfare Officer

Harry B. Harris, Jr.

Town Clerk

William F. Kidder

REPORT OF THE BOARD OF SELECTMEN

Despite the national economic slump, New London has continued to grow in 1982. Thirteen building permits for new construction were issued, as compared to eight in 1981. Several new businesses, most of them in Scytheville Row, have enhanced the Town's reputation as a regional shopping and business center. "Bittersweet", the first Federally subsidized elderly housing project in the immediate area, was opened last summer assuring that our valued older friends of limited means will not be forced to leave the area. On the other side of the coin, our school age population has declined from 381 to 345 in the past year.

There were fewer property transfers in 1982, but prices have remained high indicating that our present assessments are at 48% of fair market value. This 48% factor is used to equalize our total property valuation for the purpose of setting taxes for the school and County.

Taxes, and how to hold them in line, remain a major concern of the Board of Selectmen. The first effect of the State's financial problems was felt this year, with a 50% reduction in the return to the Town from the Interest and Dividends tax. The impact was not reflected in the tax rate this year as the Department of Revenue Administration applied $90,000.00 from accumulated surplus funds to the Town's income. In 1983 the loss of Interest and Dividends return, plus the expected cutback in the Business and Profits Tax, will cause a substantial, and unavoidable, increase in the tax rate. Additionally, the Town will have to assume a portion of the increases in school and County taxes resulting from State cutbacks.

Mindful of the increased costs over which the Town has little or no control; eg. schools, County, Blue Cross/Blue Shield, Workmen's Compensation, etc., the Selectmen have been concentrating on an effort to maximize the benefits derived from the local tax dollars spent. After a certain point, however, the only way to hold taxes down is to reduce services. The budget approved by Town Meeting is not a line item budget, giving the Selectmen the authority to shift funds as deemed necessary in the 'prudential management' of Town affairs, but every effort is made to see that the money appropriated is used to provide the type and level of services that the voters indicate they wish to have.

Faced as we are with another suit in the Kezar Lake matter, Public Service's appeal to the Supreme Court for tax relief, and a costly long range solution to our solid waste problems, the Board of Selectmen are not recommending the proposed addition to the Fire Station. To

alleviate the extremely crowded working conditions in the Town Hall, and to provide space for the Tax Collector and Treasurer, the Selectmen have recommended that the house directly behind the Town Hall be rented from Colby-Sawyer College for Town offices. This will leave the present space for the Police, Dispatch and the Court.

So much for the bad news, now for the good news. Thanks to the untiring efforts of hundreds of volunteers New London continues to provide a level of services and a quality of life that make it one of the outstanding towns in the State. There is no way that a Town of 3,000 could pay for the hours of donated time by the Town officials listed in this report. They have our deepest gratitude and deserve a vote of thanks from the entire Town.

Respectfully submitted,

MARILYN B. ANDREWS,
Chairman
Board of Selectmen

NOTICE TO PROPERTY OWNERS

All property owners must file by April 15, 1983 an Inventory of Taxable Property and Exemption form with the Board of Selectmen completely filled out. Failure to do so, will result in a penalty of $10.00 to $50.00.

NOTICE TO CURRENT USE APPLICANTS

Owners of land classified as Current Use must indicate on the Inventory form whether any changes in the use of the land have been made.

New applicants must fully complete a Current Use application form with a map showing clearly the land to be considered for Current Use. All applications and maps must be on file with the Board of Selectmen by April 15, 1983.

ANNUAL TOWN MEETING MARCH 9, 1982

THE STATE OF NEW HAMPSHIRE

NEW LONDON, N.H.

TOWN WARRANT

To the inhabitants of the Town of New London in the county of Merrimack, in said State, qualified to vote in Town Affairs:

(L.S.)

You are hereby notified to meet at the Kearsarge Middle School Auditorium in said New London on Tuesday, the eighth day of March next, at 12:00 o'clock noon to act upon the following subjects:

ARTICLE 1. A. To choose all necessary Town Officers for the year ensuing.

B. To vote by ballot on amendments to the New London Zoning Ordinance.

C. To vote by ballot on two session proposal.

NOTE — By law, the meeting must open before the voting starts. Therefore, the meeting and polls will open at 12:00 noon for the consideration of Articles #1, Parts A , B and C.

At 12:30 p.m. the Meeting will recess but the Polls will remain open until 8:00 p.m. The Meeting will reconvene at 7:00 p.m. to act upon Articles 2 through 39.

ARTICLE 2. To see if the Town will vote to raise and appropriate the following sums for the ensuing year to defray Town charges.

	1982	1983
Town Officers Salaries	22,500	24,250
Town Officers Expenses	38,836	42,734
Town Hall and Other Buildings	26,200	40,950
Election & Registration	2,500	1,000
District Court Expenses	45,460	44,188
Social Security & Retirement	42,500	43,145
Insurance	44,446	39,855
Planning Board	1,750	1,400
Zoning Board of Appeals	260	260
Vital Statistics	250	250
Street Lighting	14,500	16,000

ARTICLE 20. New London Ambulance (Est. 15¢ per thousand)	15,442	12,801

ARTICLE 21. To see if the Town will vote to raise and appropriate the following sums.

Kearsarge Visiting Nurse	5,723	5,832
Community Action Program	761	1,345
	6,484	7,177

(Est. 9¢ per thousand)

ARTICLE 22. To see if the Town will vote to authorize the Selectmen to add to the capital reserve fund (pursuant to RSA 35) established for the purchase of ambulance/equipment; such funds derived from the lease of the Town ambulance/equipment to the New London Hospital Association.

ARTICLE 23. Sewer Maintenance	113,350	123,816
ARTICLE 24. Interest on Temporary Loans	110,000	75,000

ARTICLE 25. To see if the Town will vote to raise and appropriate the sum of $3,000.00 for maintenance and up-dating of the Town tax maps.

(Est. 4¢ per thousand)

ARTICLE 26. To see if the Town will vote to raise and appropriate the sum of $3,500.00 for revaluation pickup work on Town assessments.

(Est. 4¢ per thousand)

ARTICLE 27. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act for use as a setoff against the following item:

Purpose:	Highway Truck	25,340

ARTICLE 28. To see if the Town, pursuant to RSA 35, vote to establish a capital reserve fund of $50,000.00 for construction, reconstruction, or acquisition of an additional municipal building(s).

(Est. 60¢ per thousand)

ARTICLE 29. To see if the Town will vote to authorize the Board of Selectmen and the Town Treasurer, to incur debts from time to time during the 1983 fiscal year to an aggregate amount not exceeding the 1982 tax levy, for temporary loans in anticipation of 1983 taxes, and to issue notes of the Town therefor, and to refund same, all as provided in the Municipal Finance Act: The Selectmen and Town Treasurer to be authorized to sell such notes.

ARTICLE 30. To see if the Town will authorize the Selectmen to apply for, receive and expend federal or state grants, which may become available during the course of the year, and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the Town may legally appropriate money; provided: (1) that such grants and other monies do not require the expenditure of other town funds, (2) that a Public Hearing shall be held by the Selectmen prior to the receipt and expenditure of such grants and monies, and (3) that such items shall be exempt from all provisions of RSA 32 relative to limitation and expenditure of Town monies, all as provided by RSA 31:95-b.

ARTICLE 31. To see if the Town will vote, pursuant to RSA 72:23-IV, to increase the tax exemption on the property of Colby-Sawyer College from $150,000.00 to $650,000.00.

(Est. 14¢ per thousand)

ARTICLE 32. To see if the Town shall authorize the Board of Selectmen to appoint the Tax Collector, beginning March 14, 1984.

ARTICLE 33. To see if the Town will vote to change the Tax Collector's term of office from one year to three years, as provided under RSA 41:2-a.

(By petition)

ARTICLE 34. To see if the Town will vote to designate Soo-Nipi Park Road as a scenic road under the provisions of RSA 231: 157 & 158.

(By petition)

ARTICLE 35. To see if the Town will vote to designate Pingree Place Road as a scenic road under the provisions of RSA 231: 157 & 158.

(By petition)

ARTICLE 36. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes if deemed necessary by the Selectmen.

ARTICLE 37. To see if the Town will vote to ask the Board of Selectmen to convey to the New Hampshire Congressional delegation the sense of this meeting to the effect that the Citizens of the United States have the obligation to keep our country a free nation; to keep it strong enough to deter any potential aggressors; and to work toward ultimate reduction of world armaments.

(By petition)

ARTICLE 38. To see if the Town will vote to ask members of the New Hampshire Congressional delegation to support or co-sponsor a resolution in the U.S. Congress to: Request the President of the United States to propose to the Soviet Union that the United States and the Soviet Union adopt a mutual freeze on the testing, production, and deployment of nuclear weapons and of missiles and new aircraft designed primarily to deliver nuclear weapons, with verification safeguards satisfactory to both countries.

(By petition)

ARTICLE 39. To see if the Town will vote to go on record in support of immediate actions by the Federal Government to control and reduce acid rain which is harmful to the environment and economy of New London and to the health and welfare of the people of New London. These actions shall include: (1) reduce by at least half the major cause of acid rain, sulfur dioxide emissions, by the year 1990, (2) conclude negotiations and adopt a treaty with the government of Canada that will commit both nations to this same goal. The record of the vote on this article shall be transmitted to the New Hampshire Congressional Delegation and to the President of the United States.

(By petition)

Given under our hands and seal this sixteenth day of February in the year of our Lord nineteen hundred and eighty-three.

REPORT OF THE AUDITOR

To the Citizens of the Town of New London, N.H.

I have examined the financial statements of the Selectmen, Town Treasurer, Tax Collector, Town Clerk, Road Agent, Cemetery Commission, Sewer Commission, Library Treasurer and Trustees of the Trust Funds. I have compared their accounts, vouchers and bank statements of funds on deposit, and find these records to be in agreement, and I believe these records to be a true record of the town business for the year ending December 31, 1982.

ANNA MAY EBERHARDT
Auditor

NEW LONDON CEMETERY COMMISSION

During the year 1982, there were 20 interments in the three New London Cemeteries; 12 in Old Main St.; 7 in Elkins; and 1 in West Part. Cremations accounted for 7 of the total number.

In addition to the necessary maintenance work in the three cemeteries, the Highway Dept. established a new road south from the Bog Rd. gate at Old Main St. Cemetery, as well as improving the condition of the existing road from the main entrance on Old Main St. Also the stone wall area adjacent to the former Dayton Estate property at the southwest corner of the cemetery was greatly improved by the removal of brush and debris and grading. Also, a considerable portion of the existing fence along Old Main St. was replaced and granite posts straightened.

The new area adjacent to the West Part Cemetery was prepared for use by clearing, plowing and harrowing as well as a new access through the existing stone wall on County Road.

REPORT OF THE NEW LONDON CENTRAL DISPATCH

This year the New London Central Dispatch received a total of 13,762 telephone calls.

Presently we are dispatching for New London, Wilmot and Newbury police, ambulance and fire departments, and for Bradford and Sutton police and ambulance. At this time we monitor 100 alarm systems for the New London area.

Our thanks again for your continued support.

Respectfully submitted,

WALTER A. RENEY,
Chief

CIVIL DEFENSE — 1982 REPORT

At this time I would like to clear up some misconceptions that have been brought to my attention. Namely, the plans that the State has in reference to the relocation of persons in case of attack or nuclear disaster. I have had people tell me that plans were set, that we knew where the relocated people would be coming from and how many people New London would get.

I have talked to the State Civil Defense office in Concord and they informed me that there have been no definite plans made at all. They are still evaluating plans for areas to be evacuated. They told me it would be awhile before they contacted us about receiving persons in New London. At that time, State Civil Defense personnel will meet with town officials to decide on the number of people to be sent to New London.

The other misconception people have is that the Civil Defense Director, during a disaster, will take over the running of the town. This is false, the Civil Defense Director will not take over, but will be the coordinator, helping other departments carry out their jobs.

Again I would like to remind people that the town Civil Defense Director is responsible for keeping our town prepared for emergencies. I would like to hear from anyone who has any ideas or knows of any area in our Civil Defense program that needs improving.

Respectfully submitted,

STUART F. SIDMORE, JR.
Director of Civil Defense

NEW LONDON INFORMATION BOOTH

1982 brought 2,517 requests for information into the booth, very adeptly handled by Macy Doherty. She plans to keep the booth open seven days a week from 10:00 A.M. to 5:00 P.M. during July and August of 1983. This will provide service for informational requests on Sunday and continue our policy of area promotion of activities and businesses.

The new building is very helpful and we hope to connect a water supply to it in the near future. We have benefited from, and appreciate the work of the New London Garden Club in their landscaping and maintenance of flowers and shrubs surrounding the booth.

Respectfully submitted,

CARLTON BRADFORD,
President,
New London Chamber of Commerce

REPORT OF THE TOWN HEALTH OFFICER

During the past year the water quality of the area lakes has remained consistently high, thanks to the effort of all residents.

Many of the older septic systems in town failed this past year and have been replaced with systems in line with 1982 State standards. This is expensive for the homeowner but insures the quality of our environment, as well as keeping a high health standard for all residents. I would, at this time, remind all residents that any work done on their septic systems must have the proper approval of the Town Health Officer.

The cooperation of all residents, summer as well as year-round, given to me this past year is greatly appreciated.

Respectfully submitted,

PETER E. MITCHELL, SR.
Town Health Officer
New London

ANNUAL REPORT
NEW LONDON CONSERVATION COMMISSION

Several pieces of property were added to the protected lands monitored by The New London Conservation Commission in 1982. The Commission also constructed and maintained hiking paths, identified and supervised watershed areas, led winter and spring hikes, and acquired responsibility for lakeshore projects.

Two gifts of land increased the size of the Stephen Phillips Preserve near Otter Pond. The first, from the Spauldings, included over 8 acres of woods on the west flank of the Preserve; a second gift, from the Pattisons, included woodland and marsh adjacent to Goose Pond.

A purchase of land off Mountain Road completed the 5-year acquisition of the wetland and gravel area of low Plains. A self-guiding trail the full length of the area is planned for 1983. The main trail will be called "The Davis Path" as a memorial to Wilfred "Slim" Davis, a member of the Commission from 1974-1978.

The Philbrick-Cricenti Bog, visited by a record 3,000 plus people this year, has been further protected on the southerly edge through a gift of 5.7 acres of woodland from Carlton F. Barton in exchange for a wooded piece on County Road originally given the Town by James C. Cleveland.

The five winter afternoon snowshoe/X-C ski trips were well attended as were the spring morning "bird walks." These popular outings will be offered again in 1983. The Commission reminds Town residents that its trail map is available at the Town Clerk's office and that these trails are suitable for year-round use.

In late fall, the Commission was given the responsibility of monitoring lakeshore and wetland projects approved by the New Hampshire Wetlands Board.

The Commission wishes to thank all volunteers who helped with trail maintenance and other projects in 1982.

Respectfully submitted,

ESTHER M. CURRIER, *Chairman*
MILTON T. BUTTERWORTH
LUTHER M. CHILD

KATHARINE T. MURRAY
JAMES B. ROBJENT, Secretary
VERNON H. ADAMS, Alternate

REPORT OF THE NEW LONDON DISTRICT COURT

From October 1, 1981 to September 30, 1982, 3,456 cases were entered in the New London District Court. The breakdown of the cases was as follows:

Motor Vehicle Violations	2,943
DWI - First Offense	28
DWI - Second Offense	3
Other Violations	32
Misdemeanors	117
Felonies	4
Juvenile Cases	12
Domestic Violence Cases	7
Civil Cases	24
Small Claims Cases	286
TOTAL	3,456

Respectfully submitted,

F. GRAHAM McSWINEY
Justice

Despite the substantial decrease in the caseload this past year, the time spent in Court, processing those cases, increased, perhaps reflecting the increasing complexity of the cases, as well as the fact that more defendants are seeking their day in Court.

Claudia Galluzzo, clerical assistant to the Clerk, Ann Hammond, continued a system which she had started in the Fall of 1981 for collecting fines from defendants who had defaulted. As a result, in 1982 the Court collected in excess of $20,000.00 in unpaid fines at a cost of less than $300.00. I have brought Claudia's system to the attention of the State Administrative Committee of District & Municipal Courts in hopes that other courts around the state may use it to their benefit.

During this past year Special Justice Gerald Carney and I attended six days of continuing judicial education including a three day session on sentencing drinking drivers put on by the National Judicial College.

Respectfully submitted,
F. GRAHAM McSWINEY
Justice

2nd Lieutenant	Robert S. Brown
3rd Lieutenant	Richard W. Rodgers
4th Lieutenant	David (Deak) Pellerin
Clerk	Stephen Ensign

BOARD OF FIRE ENGINEERS

Francis Chandler
Laurids (Bud) Lauridsen, Jr.
James Granger

The implementation of a Motorola paging system has more than cut our response time in half, and is a great addition for the safety of New London and the area.

Another big addition to the Fire Department is the 'Jaws-of-Life' tool. The money was raised by the firemen from private donations. With the help of a long time summer resident, we were able to purchase more than we were expected to.

The Fire and Police Departments are requesting an addition to the Fire Department building at this years Town Meeting. The addition would combine the two departments under one roof, and would give the police the added space needed, and at the same time create expansion of the Town offices in the Town Hall.

The Fire Department is also requesting funds to purchase a used ladder truck. With the present equipment we are unable to reach many roofs, fourth story windows and chimneys in the Town.

The support given to me in my first year as Fire Chief has made everything go very smoothly. The Town is very fortunate to have such a highly trained and qualified Volunteer organization.

Respectfully submitted,

DOUGLAS MATHEWSON, II
Chief

ANNUAL REPORT OF THE NEW LONDON GARDEN CLUB

"The New London Garden Club was founded in 1928 by Dr. Anna Littlefield with the following purpose in mind; to encourage and aid in all civic beautification; to protect and perpetuate desirable plants and birds; to promote and encourage a knowledge and love of gardening and horticulture; to stimulate an interest in all people to work with and for nature."

Dr. Littlefield's family, Town selectmen, and members of other Town organizations were invited to the August ceremony at the Information booth, unveiling the boulder and plaque commemorating past Garden Club members. The sixteenth annual Antiques Show and Sale was held in July. "Alice's Adventures", a Standard Flower Show, was held at Hilltop Place in August. Throughout the year members continued the on-going projects of maintaining plantings at many areas in town, making wreaths for the Town buildings and remembrances for shut-ins at Christmas.***

Members have won awards in Standard Flower Shows, and the Scrapbook, Yearbook, and Pressbook were awarded top honors in New Hampshire and in the New England Region.

Programs are held throughout the year that are designed to instruct and inform members about conservation, gardening and flower arranging. Several of these meetings are open to the public.

The New London Garden Club has 125 active members and is a member of the Dartmouth-White Mountain District, New England Region, New Hampshire Federation of Garden Clubs, Inc. and National Council of State Garden Clubs, Inc.

Respectfully submitted,

MARY S. FLYNN (Mrs. John W.)
President 1982-83

***Funds raised by the Antiques and Flower shows went toward the two scholarships given by the Club to worthy students in the 4 year program in the Department of Plant Sciences and the two year program in the Thompson School of Applied Sciences, University of New Hampshire, Durham.

REPORT OF THE TOWN HISTORY AND ARCHIVES COMMITTEE

The Report of the History & Archives Committee for the year 1981 outlined the origin of the Committee in the 1940's and its special activities and projects extending through the Bicentennial observances in 1979, and the development of the Town Archives since the late 1960's.

This year I would like to emphasize some of the services which the Archives have performed during the past year.

Since we are the repository for non-current records of the Town, including the minutes of the Town Clerk and Vital Statistic Records since the Town's incorporation in 1779, reports of public schools, cemeteries, public libraries and other town services, these materials belong to the public. Although they are housed in the Vault at Tracy Library, the Archives is a separate entity, supported by the Town, and therefore, available for consultation.

Every year there are historical questions which come to us from individuals, seeking help on topics relating to the history of New London. At present, we are able to help with two significant projects, the 50th year of the New London Barn Playhouse and the Elkins Bicentennial. We also continue to work with the New London Service Organization on special projects.

Some of the interesting services provided by the Archives have been in the assistance in plans for rebuilding a boat house on shore property on Lake Sunapee, and in the searching for records for visitors from southern Ohio, Buffalo and Long Island, New York.

Our expenditures for the year include supplies, photocopying of records and manuscripts, electrical service for better lighting in the Vault, assistance in filing and other clerical work, and professional help in rearranging the collection and revising the inventory. Also in the process is the binding of copies of *The Speaker,* a town publication for the years 1935-1942. This work was edited by two men who made remarkable contributions to the published records of the Town, Stanley A. Spiller and Kenneth A. Lord.

I would repeat an invitation to visit the Archives and I appeal to you to share as gifts or loan for copying, such family materials as letters, diaries, business ledgers and photographs.

Respectfully submitted,

MILDRED CROCKETT TUNIS
Town Archivist

SUMMARY OF THE 1982 ACTIVITIES OF THE NEW LONDON HOSPITAL BOARD OF TRUSTEES

Three Board members were elected to the Executive Committee: Mr. Richard Lizotte; Mrs. Henry Kidder, III; and Mr. Randall H. Merriman. Two new Board members were welcomed: Mr. John Chiarella and Dr. T.H. Williams.

The hospital matched funds with the New London Trust Company and the Lake Sunapee Savings Bank to honor the first baby born at New London Hospital in 1982.

A new mammography unit was purchased, and as voted by the Board, was funded from contributions. In early April, the C-T scan unit was placed in operation one half-day weekly. It is hoped that these two new services will facilitate better and cost saving services to the communities served by New London Hospital. In the interest of better provision of information to people, the number of issues of the Hospital Quarterly was increased from three to four annually.

In response to several queries, it was voted that no hospital land be sold or offered for sale at this time. It was agreed that a master plan for all hospital properties is needed, and the appropriate committee will pursue this.

Corporate restructuring has been under serious consideration and study. No decision has been reached at this time. The Board continues to deal with this subject with an open mind, and is still very much in the learning process.

Thanks to the hard work contributing to its successful Rummage Sale, the Auxiliary has provided the hospital with a new and vastly improved TV system.

The Board approved the establishment of the following general policy:

> Unrestricted or general purpose income earned on Endowment Funds be set aside as Board Designated Funds. Endowment Funds be set aside as Board Designated Endowment Funds, for future capital needs, as deemed appropriate by the Board of Trustees.

Mrs. Frances Baynes' leadership in developing the Volunteen program was gratefully acknowledged. Thirty two students volunteered thirteen hundred hours of their time during their summer vacations.

Throughout the year, many plans were reviewed regarding the Emergency Room/Outpatient area proposed building and renovation project. The Board voted, in principle, to proceed with the project.

This will entail a long range plan for the future, as needed, development of New London Hospital. Financing alternatives are under consideration.

A public relations brochure was prepared and completed, its purpose being to describe the history of New London Hospital, what we are, who and why we are.

New London Hospital now has a nursing affiliation agreement with Colby-Sawyer College to provide clinical experience for their nursing students.

Under the outstanding leadership of David Kidder and Richard Mann, the 1982 Hospital Day was one of the most successful ever held. Monies from Hospital Day are used to purchase needed equipment for the hospital.

Without the continued dedicated support of the many communities that the hospital serves, we would not have the fine medical care facility that we have today, and it is through this support that we will continue to grow and provide our patients with the finest available medical care.

Respectfully submitted,

SANDS B. ROBART,
Secretary

BOARD OF TRUSTEES
NEW LONDON HOSPITAL ASSOCIATION, INC.

OFFICERS:

President	Sally K. Fifield (Mrs. Ralph B., Jr.)
Vice President	Stephen Ensign
Treasurer	George G. Wells
Secretary	Sands Robart (Mrs. L. Leslie)
Director	Harry M. Lowd, III

TRUSTEES: (Terms expire as shown)

Janet Condict	(1/83)	South Sutton, N.H.
John S. Ensor	(1/83)	New London, N.H.
Rosamond Hayes (Mrs. Donald R.)	(1/83)	New London, N.H.

T.H. Williams, M.D.	(1/85)	New London, N.H.
Frances Hoke (Mrs. Marshall)		Elkins, N.H. (represents Summer Residents' Assn.)
Eleanor Norris (Mrs. John)		New London, N.H. (represents Hospital Auxillary)

NEW LONDON RECREATION COMMISSION

In recent years the Recreation Commission has noted an increase in the use of both Elkins and Bucklin beaches. This year we reorganized our professional staff. All our Lifeguard/Instructors are now required to have a current certificate in Water Safety Instruction, Advanced Rescue, and C.P.R. Under the capable management of Susan Cooper, Beach Manager, we had a very safe and successful summer beach program. The American Red Cross swimming program was offered for three weeks in July, and then again for three weeks in August. Interim programs of sailing, snorkeling, and C.P.R. were offered to the local residents, between the two swimming sessions. Beach attendance was recorded daily, as were weather conditions. The result of these, in part, lead to our safe swimming summer with no major injuries reported.

The American Red Cross has again this year made a contribution of $500.00 to help offset the costs of running the swimming program. This reimbursement is made possible by the citizens of New London's contributions to the American Red Cross, through the local fund raising drive.

With the financial help of the recently formed 'Friends of Recreation' (F.O.R.) necessary swimming tools for both beaches were purchased, and promotion of our pilot interim programs was accomplished.

The success of the recreational program this summer is largely due to our competant staff and the cooperation and participation of the townspeople. The Recreation Commission appreciates any suggestions to help improve the programs and thanks the Town of New London for their continued financial support which makes these beach programs possible.

Respectfully submitted,

ANN S. BEARDSLEY, *Chairman*
MARGARET GAY, *Secretary*
DR. RICHARD W. RODGERS
GEORGE WARING
SIDNEY DIEKMANN

AUXILIARY OF THE NEW LONDON HOSPITAL

Our 57 year old New London Hospital Auxiliary held eight monthly meetings in the First Baptist Church and one annual meeting at the Lake Sunapee Country Club during our calendar year, October 1981 to June 1982. The monthly meetings are work sessions which keep 60 to 80 women busy working on crafts to sell on Hospital Day. Lunch hour is preceded by a business meeting and following lunch our Community Health Education program provides a speaker who is well qualified in a particular area of medicine — medicine of the body, mind and spirit. We have also held blood pressure and blood screening checks.

Monthly board meetings of the New London Hospital Auxiliary are held at the New London Hospital. The president of the auxiliary also serves on the Board of Trustees of the hospital.

Frances Baynes, Director of Volunteer Services at the New London Hospital does a superb job as 2nd Vice-President of the Auxiliary. She is responsible for coordinating the volunteers at the hospital who work with the Dietary Department, Occupational Therapy, Mail Delivery, T.V. Rental, Library, Office Assistance, Laboratory, Physical Therapy, Beverage Program, and our new service "Transport Aides". Again this year over 5,000 hours of dedicated help were given by approximately 100 volunteers. Thirty-eight "volunteens" during the summer months added a cheerful, young touch to many areas in our hospital. We would be remiss if we did not mention the volunteer hours within the auxiliary work sessions, measureless hours, plus the countless hours volunteers spend sorting and running our two rummage sales every year. All of these activities make our New London Hospital Auxiliary unique in the State of New Hampshire.

Fund raising efforts this year *netted* the Auxiliary $14,099.88 which made it possible for the auxiliary to install a completely new T.V. system in the hospital, add to the town library's books on health care, continue to distribute the Vial of Life units, and through the efforts of a wonderful team of volunteers who worked all summer at the Barn Players renting pillows at 5¢ a piece we were able to give two $500.00 scholarships. The recipients were Nancy Mattis who will study to become a dental hygienist, and Eric Romanoff who will pursue a career in the field of medicine.

The following officers of the New London Hospital Auxiliary were elected at the annual meeting on June 2, 1982.

President-Mrs. John L. Norris
1st Vice President-Mrs. Daniel Graham
2nd Vice President-Mrs. Eric Baynes
Recording Secretary-Mrs. John Roche
Corresponding Secretary-Mrs. F. R. Williams

Treasurer-Mrs. Edwin Pike
Assistant Treasurer-Miss Clara J. Almy
Past President-Mrs. Bradford White

Aristotle said, "Health of mind and body is so fundamental to the good life that if we believe that men and women have any personal rights at all as human beings, they have an absolute moral right to such a measure of good health that society and society alone is able to give them." When you stop and think about what the Auxiliary membership and the volunteers at the hospital do to support the hospital in its endeavor to provide loving, excellent care, Aristotle's words make us keenly aware of how important is each person's contribution to the total health care picture. For your dedication and generosity we the officers of the New London Hospital Auxiliary thank all the volunteers and the townspeople in the surrounding area.

Respectfully submitted,

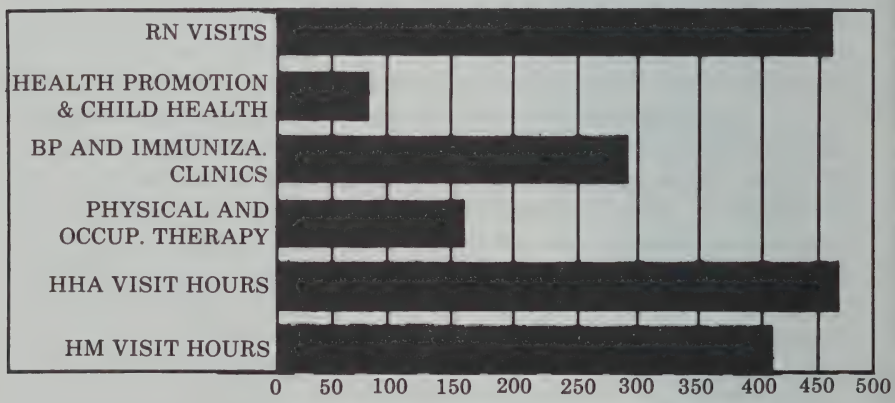
MRS. JOHN L. NORRIS
President

"HEALTH BEGINS AT HOME"

KEARSARGE VISITING NURSE ASSOCIATION ANNUAL REPORT OF SERVICES

The Kearsarge Visiting Nurse Association continues to provide personalized health care to the residents of your community. We serve people of all ages and all walks of life. Our professional staff works with physician and family to provide comprehensive health services at home. We are also able to offer many free health programs without an increase in your town appropriations for the fourth year in a row. Your continued support and confidence in our organization allows us to grow and serve the health needs of your community.

Visits to your town are reflected in the following graph.



If you know of someone who needs help, please call us at 526-4077. We will give a free evaluation visit with follow-up and referral as needed.

Robin Gallup, RN
Co-Director

Tanya Wilkie, RN
Co-Director

Representatives from your town on the Kearsarge VNA Board of Directors are:

Mrs. Katie Brooks
Mr. Edward Olney
Mrs. Dana Stanley

REPORT OF
THE NEW LONDON POLICE DEPARTMENT

In 1982 your Police Department handled the following activities:

	1982	1981
Arson		1
Assaults	2	2
Bad Checks	10	27
Bomb Threats		1

Taking without authority	3	1
Thefts	82	81
Attempted thefts	2	
Shoplifting		5
Arrests	37	85
Motor Vehicle Activities:		
Court	375	
Warnings	940	
Accidents	64	
Total people injured	31	
DWI	28	

The Department again wishes to thank everyone for their continued support.

Respectfully submitted,

WALTER A. RENEY,
Chief

REPORT OF THE PLANNING BOARD

The New London Planning Board held twenty-four (24) regular scheduled meetings in 1982.

Action was taken in the following categories:

9 Subdivisions
7 Annexations
12 Site Plan Reviews

In addition numerous discussions were held and opinions given on zoning and subdivision matters not requiring formal approval.

Two new members were appointed to the Board; Patricia Clement replaced Laura Mathewson, who resigned, and Malcolm Hoyt replaced Bruce MacFarlane, who resigned. Bryant Hoffman was appointed to a full term by the Board of Selectmen.

This report gratefully acknowledges the service given to the Planning Board and its retiring Chairman by all its members.

Respectully submitted,

WESLEY G. NICHOLS
Chairman

ROAD AGENTS REPORT

1982 was a busy year for the Highway Department.

The East side of Knights Hill has been filled in about 5 feet, regravelled and resurfaced to take out the steepest part.

Roads resurfaced were County Rd. from Route 11 to Bob Messers, and from Tracy Road to Route 103, Tracy Road, Pearl Street, Williams Street, Hayes Road, Blueberry Lane, the West side of Knights Hill Road, Farwell Lane and Edmunds Road.

The sides of Bog Road and Seamans Road were shimmed.

The old sewage pit on Mountain Road was closed and a new one was installed at the back end of the Shepard Pit.

The brush was cut back on many roads and at the old Dump it was cut back to the walls.

This year we will be putting in new wells for monitoring the ground water pollution at the septage site.

The Landfill is still in good condition and should be for many more years.

Respectfully submitted,

WILLIAM D. GREEN
Road Agent

Town of New London
Sewer Commission

This is the second complete year of operation for the sewer link-up between the towns of New London and Sunapee. The operators have done an excellent job operating and maintaining the pumps and equipment.

The only major project of the year was the design and installation of two 30,000 gallon tanks at the Georges Mills pump station.

This is an emergency holding facility in the event of pump failure.

The infiltration study has been completed, and the recommended replacement of leaking sewer lines have been designed.

With the help of State and Federal monies, this replacement work will begin in the near future.

THOMAS MILLER, *Chairman*
New London Sewer Commission

ANNUAL REPORT 1982
TRACY MEMORIAL LIBRARY

The library's circulation has continued its steady increase as it has done in the past.

The adult and juvenile book circulation was 30,724, periodical and other non-book items was 3,284, making a total circulation of 34,008. The library purchased more than one thousand new titles in 1982.

The use of periodicals has continued to increase. In order to meet this need fifteen new periodicals were added. Paperback books continue to be popular and this collection has been enlarged accordingly.

Our library continues to have one of the highest per capita circulations of any library its size in the state.

A most welcome gift of $3,500 from the Friends of Tracy Memorial Library made it possible to purchase additional books and to add to the children's record and tape collection.

The members of our capable staff include Mrs. Susanne Filkins, Head Librarian; Mrs. Martha Denz, Administrative Assistant; Mrs. Emma Crane, Circulation Assistant; Mrs. Timmie Poh, Assistant for Children's Services; and Mr. Ray Heath, Custodian. Student Aides, Cheryl Battersby and Lisa Ensign, are employed part-time. Many dedicated volunteers have given countless hours of their time to assist the staff with various duties.

We appreciate the continued support of the citizens of New London and invite them to increase their use of our library.

REPORT OF TOWN FOREST FIRE WARDENS AND STATE FOREST RANGER

Forest fire prevention, our business, your business, good business! This slogan has been the motto of the N.H. Division of Forests and Lands, Forest Fire Service since 1909 when the first forest fire laws were passed by the Legislature.

These laws set in place a cooperative forest fire protection program of State and local forest fire personnel that has, in the past 75 years, established New Hampshire as a leader in forest fire prevention and control. Our annual acreage loss to forest fires of one-half acre per fire is the best in the nation. This fire record has come about through the cooperative efforts of our state/town forest fire protection program. The state provides detection of fires, training for local forest forest fire wardens, low cost forest fire suppression equipment to local fire departments, and technical advice at the fire ground. Local governments provide the volunteer fire fighters who are appointed as wardens and deputy wardens and who respond quickly to suppress reported forest fires.

This program has resulted in a steady decline in annual acres lost to forest fires since 1910 when the average fire burned 33 acres compared to the modern day loss of one-half acre per fire.

Only by the continued cooperation of the State/towns and our entire citizenry can this record be maintained.

1982 STATISTICS

	State	District	City/Town
No. of Fires	391	13	0
No. of Acres	161¾	7.16	0

Laurids T. Lauridsen, Jr.

ZONING BOARD OF APPEALS ANNUAL REPORT
1982

During 1982, the Zoning Board of Appeals held open hearings on the following appeals, referred by the New London Board of Selectmen, unless otherwise noted.

March 30 — Elaine and Donald Robar requested a Special Exception to Article 12, Section C to establish an antique shop in their barn. (Referred by New London Planning Board) *Granted.*

June 14 — David Annicchiarico requested a Variance to Article 4, Section C to erect a deck. *Granted.*

June 23 — Martin S. and Michelle S. Feins requested a Variance to Article 4, Section C to relocate a garage. *Denied.*

June 30 — Richard E. and Mary L. Mann requested a Special Exception to Article 12, Section 1 to build a beach house. *Granted.*

September 22 — Lawrence B. Ballin requested an expansion of a Special Exception to Article 5, Section A-1 and Article 12, Section A for addition to horse barn and indoor arena. (Originally approved on December 14, 1977) *Granted.*

October 7 — Nancy T. Carman and George T. Theriault, Jr. requested a Variance to Article 4, Section C-1 to build a two car garage. *Denied.*

October 27 — Laurids T. Lauridsen, III requested an expansion of a Special Exception to Article 12, Section E for an addition to an existing automobile body shop. (Originally approved on September 18, 1974) *Granted.*

December 15 — Robert and Kathleen Nichol requested a Variance to Article 2, Section 1-a to build a horse barn and pasture fence. Heard as an interpretation of an Administrative Order. *Ruled:* Building permit may be legally granted for proposed use.

Respectfully submitted,

JOAN S. BUCKLIN, *Clerk*

ANNUAL REPORT
for the year ending
31 DECEMBER 1982

1
9
8
2

Founded 1925

Providing water service to customers in the Towns of New London and Springfield

☆ ☆ ☆ ☆ ☆

NEW LONDON WATER SYSTEM PRECINCT

Report to the Voters - 1982

- - - - -

In retrospect 1982 has been a highly satisfactory year for the Precinct. A long-deferred major project--replacement of the ancient 3" galvanized-iron main over Burpee Hill--was successfully completed pursuant to approval by the voters at the Annual Meeting. Not only was the project completed in good time, but the final cost was approximately 25% below preliminary estimate. Required funding was arranged through the New London Trust Company at an advantageous rate. The Commissioners recommend that the voters release $20,000 from Capital Reserve Funds to immediately reduce the outstanding principal of the loan. This action will permit a substantial reduction in both the outstanding loan and annual interest over the subsequent two year period, with consequent savings to the voters.

Detailed study of operating income and operating expense over the ten year period just concluded revealed that operating costs have increased substantially while income has remained relatively constant. Annual operating deficits have been made up through taxation, a procedure which appears contrary to good business practice. Accordingly, the Commissioners have determined, with great reluctance, that rates for all classes of service must be increased by 15%, as of 1 January 1983, to insure a balance between income and outgo. Precinct taxation will be used, in the future, for capital projects, including payment of loans and interest supporting such projects.

A second major project was the installation of a modern pressure relief valve assembly in the water main above Crockett's Corner to control potentially dangerous water pressures. The project, approved by the voters at the Annual Meeting, was accomplished in large part by Precinct personnel. Funding was from available funds, no loan was required.

The work-load placed on Precinct personnel by two major projects led to deferment of some routine summer maintenance. As a result funds programmed for summer labor were not spent to the extent planned. Money saved, combined with other savings resulting from careful management, created a General Fund surplus at year-end. The Commissioners recommend that this surplus be transferred to Capital Reserve and be used, in conjunction with funds already in that account, to permit enlargement of the Precinct's office/shop/storage facilities.

Completion of the two-year project to map the Precinct's boundaries and underground distribution system enabled compliance with State requirements for such action and, at the same time, provided the Precinct and other agencies and organizations with an accurate graphic presentation of the Precinct. Collateral action included the precise location, and recording, of all key valves, gates, hydrants and other system features.

Throughout the year turbidity, occasionally a problem, has been kept well within acceptable standards. Discoloration, an understandable cause of complaint although not a health hazard, cannot be totally avoided until either expensive water treatment facilities are funded and constructed or acceptable alternative sources of groundwater located and developed. Purity of water delivered to customers continuues to the highest standards, as confirmed by periodic tests for coliform or other bacterial contaminants. Patrolling of Morgan Pond, upper Kidder Brook and the two reservoirs results in action to remove beaver and other possible sources of pollution from the water shed.

The Precinct, and other water supply systems in New Hampshire, remains under a state mandated requirement to either upgrade, or abandon, its surface water sources, treatment facilities, distribution system and water storage facilities. The Commissioners are constantly aware of this requirement and its implications. Our customers and taxpayers are limited in number and their ability to finance major projects remains uppermost in the Commissioners' minds. The prospect of State or Federal grants for water supply or distribution projects in the future appears dim. The understanding cooperation of the voters in coming years will aid in orderly and successful growth of their system.

JAMES A. CRICENTI, Chairman
JOHN F. CLOUGH, Commissioner
ROBERT B. HARRISON, Commissioner

JAMES E. BEWLEY
Superintendent

* - Appropriated in 1980 for Burpee Hill Project.

NEW LONDON WATER SYSTEM PRECINCT

NOTES TO FINANCIAL STATEMENTS

NOTE 1: Summary of Significant Accounting Policies

The accounting policies of the New London Water System Precinct conform to generally accepted accounting principles as applicable to governmental units.

The accrual basis of accounting is followed to determine income and expenses for the year.

The inventory of supplies is priced at cost. Based on a physical inventory taken once a year, the increase or decrease in the inventory value is charged or credited to supply expense. The normal policy of the Precinct is to maintain an approximately uniform physical level of supplies inventory.

The utility plant in service and equipment are stated at undepreciated cost. Gifts or contributions of water facilities are recorded at fair market value at the time received. Assets disposed of or abandoned are written off at cost against the appropriate asset account and charged to the General Fund balance or Contributions in Aid, depending on the original source of the assets.

NOTE 2: Cash

At December 31, 1981, the operating cash account included $544 which had been borrowed from the Capital Reserve Account to help finance operations; these funds were transferred back to the Capital Reserve Account in 1982.

NOTE 3: Precinct Tax

The Precinct Tax according to State regulations has no restrictions. The income from this tax is used primarily to pay principal and interest on outstanding debt, and to pay for plant and equipment. The tax is reported as Other Income to avoid distortion of the gain or loss from water operations.

NOTE 4: Contributions in Aid

Additions to the water facilities made in 1982 at the expense of private owners and donated to the Precinct consisted of $1,050 for new connections and $177,395 for the Hilltop Place water distribution system (acquired February 14, 1982, under a License Agreement with Hilltop Place Community Association, et al).

Contributions in Aid in 1981 were $777 for new connections.

NOTE 5: Contingency Expense

Unforeseen (contingency) expenses were $440 in 1982 (to replace an essential tool that wore out and was irreparable) and $639 in 1981 (to survey Precinct property adjacent to the New London metal/stump dump).

DONALD J. MITCHELL
Certified Public Accountant

January 20, 1983

To The Commissioners of the
New London Water System Precinct

I have examined the balance sheet of the New London Water System Precinct as of December 31, 1982 and 1981, and the related statements of revenues and expenses and changes in financial position for the years then ended. My examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances.

In my opinion, the financial statements referred to above present fairly the financial position of the New London Water System Precinct as of December 31, 1982 and 1981, and the results of its operations and the changes in its financial position for the years then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Very truly yours,

/s/ DONALD J. MITCHELL
/t/ DONALD J. MITCHELL, CPA

AUDITOR'S REPORT

To The Commissioners of the
New London Water System Precinct

In my opinion, the aforementioned financial statements present fairly the financial position of the New London Water System Precinct at December 31, 1982 and 1981, and the results of its operations and the changes in its financial position for the respective years then ended, in conformity with generally accepted accounting principles applied on a consistent basis.

NEW LONDON WATER SYSTEM PRECINCT

WATER PRECINCT WARRANT

TOWNS OF NEW LONDON & SPRINGFIELD

To the inhabitants of the New London Water System Precinct in the towns of New London and Springfield in the counties of Merrimack and Sullivan respectively, qualified to vote in Precinct affairs:

You are hereby notified to meet in Whipple Memorial Hall in said New London, Tuesday, March 15, 1983, at 3:00 P.M. to act on the following subjects:

(NOTE: By law the meeting must open before the voting starts. Therefore, the meeting and the polls will open at 3:00 P.M. At 3:15 P.M. the meeting will recess but the polls will remain open until 8:00 P.M. The meeting will reconvene at 8:00 P.M. to act on Articles 2 through 8.)

ARTICLE 1: To choose all necessary officers for the coming year.

ARTICLE 2: To hear the reports of officers, committees and auditors, and pass any vote relating thereto.

ARTICLE 3: To see if the Precinct will vote to raise and appropriate the following sums for the ensuing year to defray Precinct charges:

	1982	1983
Salaries, Benefits, Taxes	$ 42,114	$ 47,038
Maintenance	4,000	2,500
Utilities	3,000	3,000
Supplies	6,000	7,000
Insurance	6,500	6,000
Taxes	2,000	2,500
Administration	3,000	2,000
Audit	1,850	1,500
Principal of Debt	6,000	22,000
Interest on Debt	1,000	8,000
Contingency Fund	1,000	699
Election, Annual Meeting	500	350
Equipment	-	2,500
	$ 76,964	$ 105,087

ARTICLE 4: To see if the Precinct will vote to authorize the transfer of a General Fund surplus of $5,000 to the Capital Reserve Account.

ARTICLE 5: To see if the Precinct will vote to authorize the withdrawal of $20,000 (including $10,000 of appropriated funds) from the Capital Reserve Fund and to spend it to reduce further the outstanding principal of a bank loan in connection with the Burpee Hill Project.

ARTICLE 6: To see if the Precinct will vote to authorize the withdrawal of $11,520 from the Capital Reserve Fund and to spend it on constructing a 16' x 24' addition to the Precinct office/warehouse building.

ARTICLE 7: To see if the Precinct will vote to change the official name of this village district from New London Water System Precinct to NEW LONDON - SPRINGFIELD WATER PRECINCT.

ARTICLE 8: To see if the Precinct will vote to authorize the Commissioners to borrow money through short-term notes (less than one calendar year) in anticipation of tax receipts.
